Agreement (contract):

In adopting an animal from APA, I agree to the following conditions:

1. If, for any reason and at any time during the animal's life, I am unable or unwilling to care for him/her, I will return the animal to APA at my own expense no matter where I reside. I will not give the animal to someone else without consulting with APA so they can approve the new owner and update their records for the animal.
2. I will allow an APA representative to visit my home and the animal upon request.
3. I will provide the animal with proper food, shelter and water at all times, as well as yearly vet checkups, vaccinations and additional medical care if the need arises. I also agree to meet all of the animal's social needs and provide daily attention and affection.
4. I will license my animal as required by law.
5. I will not euthanize the animal for behavior reasons without APA's knowledge and advice; only euthanasia of an irremediable suffering animal is humane and acceptable.
6. I will take my animal to training classes or seek a trainer's help if instructed by APA and will take advantage of any training and transition assistance the organization provides or suggests.
7. I will use crate training with my dog if instructed to do so by APA and will follow their advice.
8. I will only use positive-reinforcement training for my adopted animal. I will not use punishment or old-fashioned techniques (including physical punishment). I will consult with APA on any questions or needs I have in learning how to train/handle my adopted animal.
9. I will never de-bark my adopted dog or declaw my adopted cat.
10. I will notify APA promptly of any change to my address or telephone number.
11. I will notify APA immediately if my animal ever gets lost or stolen and will make every effort to recover the animal.
12. I will never allow this animal to be used for the purposes of vivisection, experimentation, dog fighting, or any other utilitarian purpose; I am adopting the animal as a companion/family pet.

I understand the above conditions and will abide by them. I understand and agree that if I do not abide by any condition of this contract or if an APA representative decides that I am no longer qualified to keep the animal and/or I am not providing humane care (as determined by the APA representative), the animal may be taken back by APA. I may be held legally accountable for any violation of this contract.
