LAS CRUCES - ACTION Programs for Animals is raising funds to purchase food in time for its Aug. 8 pet food bank distribution with a "You Win Half the Cash" raffle.

This one-time 50/50 raffle will award half of the total collected to one person on Aug. 8, whose winning ticket will be drawn at the pet food distribution. The winner does not have to be present to win. APA will keep the other half of the collected total to buy pet food for the August distribution.

Tickets are available for \$1 and volunteers are needed to help sell tickets. Contact the raffle organizer at (575) 621-4942 for more information.

At this time, APA is out of pet food and needs the community's support in collecting more. If you can organize an in-house food drive at your place of business or in any group to which you belong, volunteers can pick up the food at your location. Call (575) 644-0505 for more information.
